WHAT IS MENTAL WELLNESS?

Mental wellness is part of your overall health.

Being mentally healthy allows someone to realize their own abilities, cope with the normal stresses of life, work productively, and make contributions to the community.¹

There are many ways to improve your mental wellness. AmeriHealth Caritas District of Columbia (DC) has programs that can help you achieve your goals.

1. "Mental Health-Strengthening Our Response," World Health Organization, <https://www.who.int/news-room/fact-sheets/detail/mental-health-strengthening-our-response>.

EMOTIONAL SUPPORT VIA TEXT

Emotional support via text allows you to text with a coach any time you need it, 24 hours a day, seven days a week. You can receive support for challenges big or small, such as anxiety, trouble sleeping, relationship problems, grief, pain, and life transitions.

- Enrollees ages 13 and older can access hundreds of guided meditation and mindfulness exercises, or chat with an emotional support coach anytime, anywhere all in the Headspace app. Use Headspace for:
 - Unlimited chat-based coaching*
 - Sleepcasts, focus playlists, and mindful movement
 - Guided programs or courses to improve sleep or manage stress

Visit <http://work.headspace.com/amerihealth/member-enroll> to get started.

*Standard messaging and data fees may apply.

FITNESS CLASSES

People who exercise regularly have better mental wellness.² AmeriHealth Caritas DC offers fitness classes for enrollees at no cost. Details about upcoming classes can be found at www.amerihhealthcaritasdc.com/events.

BEHAVIORAL HEALTH PROVIDERS

Most of us experience times when we need help dealing with problems that cause emotional distress. You may benefit from an experienced, trained behavioral health provider if you are having a problem that is making you feel overwhelmed or interfering with normal daily life. As an AmeriHealth Caritas DC enrollee, you have access to a large network of behavioral health providers.

There are three ways to get help:

1. Talk to your primary care provider (PCP) about what you are dealing with. They may be able to help you themselves, or they will refer you to the right provider.
2. Call **Enrollee Services** at **1 (800) 408-7511 TTY 1 (800) 570-1190**, available 24 hours a day, seven days a week. They can help you find a provider in your area. They can also help you identify the best type of behavioral health provider for your needs.
3. Find a provider using the AmeriHealth Caritas DC Provider Directory located on our website. Go to www.amerihhealthcaritasdc.com > **Enrollees > Medicaid enrollees > Find a doctor, medicine, or pharmacy.**

Need specialized assistance related to your healthcare?
Call Complex Case Management at **(202) 408-2233**.

ADDICTION AND RECOVERY SUPPORT

Millions of Americans struggle with addiction.³ You are not alone. However, recovery is possible and treatment works.⁴ AmeriHealth Caritas DC has peer recovery specialists who specialize in addiction and can help you find your path to recovery. Call **Enrollee Services** at **1 (800) 408-7511** or **TTY 1 (800) 570-1190**, available 24 hours a day, seven days a week, to be connected with a peer recovery specialist or for help finding the right provider or program.

3. "Drug abuse statistics," National Center for Drug Abuse Statistics, <https://drugabusestatistics.org/>.

4. "About MyRecoveryDC," My Recovery DC, <https://myrecoverydc.org/about>.
