How DispatchHealth Works

1 Book an appointment.

DispatchHealth is available seven days a week, including holidays, from 7:00 a.m. – 9:00 p.m. To schedule an appointment, call **844-228-0154** or book online at **www.dispatchhealth.com**. A representative will ask about your symptoms and give you a time frame for arrival, typically within three hours.

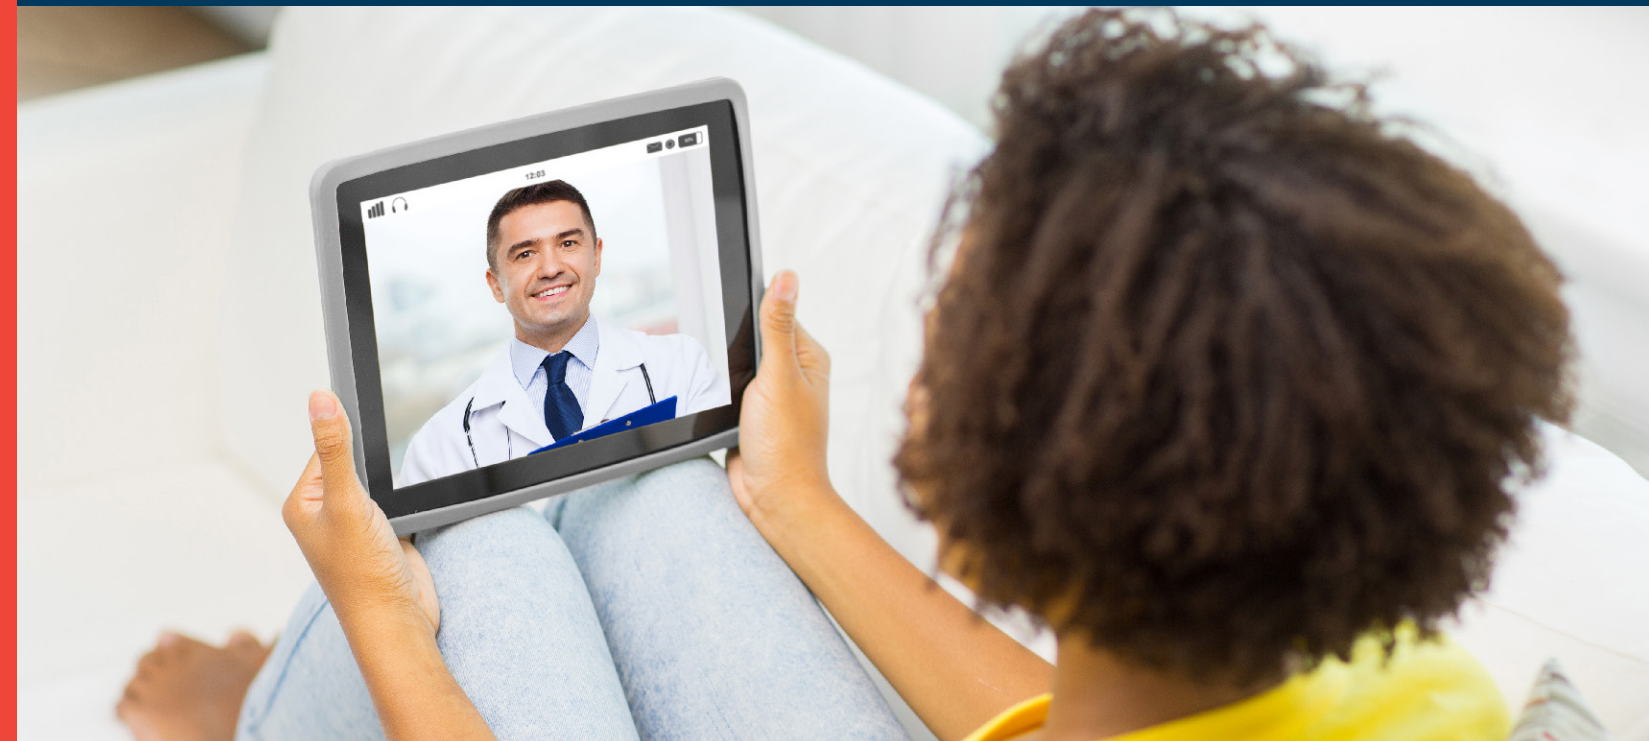

2 Receive expert medical care at home.

Your DispatchHealth care team will arrive at your home with everything needed to treat your illness or injury.

3 Relax and recover.

DispatchHealth will call in any prescriptions you need, update your primary care provider, and handle billing. You can focus on rest and healing where you're most comfortable — at home.
